

The Field Naturalists Club of Victoria Inc.

"Understanding Our Natural World"

FAUNA SURVEY GROUP

"Birds of Victoria"

Two Day Seminar

Sat 21 Oct & Sun 22 Oct

9.30am – 5:00pm

Venue: RSL Hall, Blackburn

The Fauna Survey Group of the FNCV presents some of Victoria's and Australia's leading ornithologists and up and coming researchers in a two day seminar highlighting the birds of Victoria.

The two day program discusses a variety of birds; the issues facing them, current research being undertaken and other associated topics.

Note: MORNING TEA, LUNCH and AFTERNOON TEA included each day

Topics include:

Mallee Emu-wrens
Powerful Owls
Regent Honeyeaters
Orange-bellied Parrots

Helmeted Honeyeaters
Raptor rehabilitation
Plains Wanderers
Brolgas

Presenters include:

Peter Menkhorst
Dean Ingerswen
Dr Mark Antos

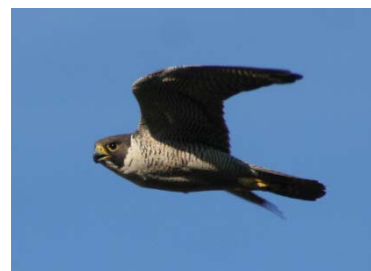

Will Steele
Inka Veltheim
Alex Maisey
