

FNCV Environment Fund: Call for Grant Applications

Due Date: Monday 17th April 2023

The FNCV Environment Fund has the following purposes:

- To support and finance environmental research, in particular research into the biodiversity of Victoria.
- To support and finance dissemination of information on the natural environment by any legitimate means, including public lectures, seminars, field trips, courses and publications.
- To support and finance practical projects aimed at preserving and enhancing the biodiversity of Victoria.

The FNCV Environment Fund is administered by a committee consisting of Malcolm Calder (Chair), Barbara Burns, (Secretary and Treasurer), Bob Rogers, John Harris, Ian Moodie and Cathy Willis.

The committee calls for applications for the next round of funding from the FNCV Environment Fund. Requests for projects between \$200 and \$1,000 will be considered.

Applications can be from organisations or individuals, but in the latter case must be supported by an organisation. Suitable organisations are established natural history or environmental organisations (Field Naturalist Clubs, Landcare Groups etc.), educational institutions or government departments. Multiple applications from one research group are not encouraged.

Applications for this round of funding close Monday 17th April 2023 at 3 pm. Late applications will not be accepted. The date and time cut off for grant applications will be strictly adhered to as this year our turnaround time is very tight.

All applications will be acknowledged and results of applications communicated by **Wednesday 26th April 2023.**

Grant money is required to be spent within 12 months of notification of receiving a grant with a short report on the project supplied to the FNCV within 12 months of the same date. The report can be published by FNCV and successful applicants are encouraged to also communicate the results of their project to the Club via articles, talks or field trips.
